Dear Harold,

Please find enclosed a money order for $12.00 for your book, and thanks for posting it off to me.

Once again I found myself deeply intrigued by what you had to say. especially about the assassin's getaway. This is an unauthorised question - but just how long do you think you'd need assistance to help you with your book? (Don't worry about replying, now as we're bound to be speaking again). I'll pass on your good wishes to Wayne, and say the same to you two

— best wishes, John Sergeant
